PACIFIC HARBOUR GOLF & COUNTRY CLUB, QLD

Length 6402 meters

Par 72

Architect: Ross Watson

Discover an island golfing paradise centered around a unique 18-hole championship course and a superb sub-tropical Golf and Country Club.

Here, an unforgettable golfing experience is at the heart of a designated golf precinct on beautiful Bribie Island, uniquely positioned between a national park and a marine national park, with easy access to Bribie's pristine surf beaches, boating, diving, fishing and more.

All the key characteristics of a world-class course have been incorporated: a great layout that tracks the terrain naturally, challenging design and memorable holes, framed by beautiful landscaping which emulates the unique coastal forest environment on Bribie Island.
