## ST MICHAELS GOLF CLUB, NSW

---

Length 6194 meters

Par 72

Architects: Michael Moran & C.W.Cole

### St. Michael's Golf Club

To play on St Michael's golf course is a great experience. It is one of Sydney's finest tests of golf. St Michael's is a typical links course with narrow fairways, natural bush land and deep rough. The Ocean breezes can also have a big influence on your game and therefore accurate straight driving is essential. St Michael's is an extremely panoramic course with exciting ocean view that will seem a lot harder on certain days that the par 72 allocated o the 18 holes.

It is a wonderful course, carved from a wilderness that will forever be a part of its charm and testing qualities.
