Tour: *Sydney /Hunter Valley 5 nights/6 days*

Itinerary

Sydney is truly an international beauty who sports numerous famous icons including Sydney Opera House, Sydney Harbour Bridge, Centrepont Tower; historical buildings, chic & modern shopping, restaurants, bars, nightclubs, beaches, the Botanical Gardens right in the heart of the city, National Parks, established and highly rated golf courses and other sporting venues. Something to suit everyone! Sydney is flanked by the stunning Blue Mountains and is nestled around the most beautiful harbour in the world according to many locals and visitors alike.

The Hunter Valley is Australia's oldest and one of its most well-known wine regions. Hunter Valley Semillon has been called "Australia's unique gift to the world", great Australian Shiraz that lasts for generations, and generations of family winemakers that are here to tell the tale.

Add to this a wide array of traditional and contemporary delights expected of a world famous wine region, as well as a myriad of surprises, a rich diversity of pursuits and people and you will find in Hunter Valley Wine Country one of the most vibrant and relaxing places to visit.

Vineyards were first established in the area in the 1830's.

Since that time, the area has grown both in size and recognition and most of the original families are still here. Proud of their heritage and what the region has become, locals have done everything to create the perfect escape.

Discover only the best regional produce, such as cheeses, olive oil and olives and enjoy the delights of our acclaimed chefs and their own unique, but distinctly Australian style. Walk, ride or drive your way through the sweeping vine-lined hills. If you are looking to explore, there are many aspects of the Hunter Valley unknown to most visitors. Whether it is a cellar door or an antique shop hidden down a quiet laneway, historic towns and convict built roads, or ancient indigenous sites, there is something waiting to be discovered.
