Tour: *Gold Coast 4 nights/5 days*

Itinerary

The Gold Coast offers a combination of golden beaches, a green mountain hinterland and the most varied theme attractions in Australia, make Queensland's Gold Coast the nation's most popular holiday playground. Surfing beaches with such alluring names as Mermaid Beach and Surfers Paradise offer soft golden sand, rolling waves and the perfect setting for a walk along the shoreline. Nestled behind the sand dunes at the northern end of the Gold Coast is Sea World; the nation's most comprehensive marine zoological park.

For a slower pace, families can hit the road to the 'green behind the gold' in the mountains and valleys of the Gold Coast hinterland. A 30-minute drive from the Gold Coast will find you at Tambourine Mountain; a rainforest oasis nestled high on the range. It has attracted a community of interesting artists and their work captures the beauty of the area. Their artwork features an interesting blend of colour, texture and shape, and includes ceramics, designer silks, sculpture, painting and leather work.
