**Tour:** *Sydney 4 nights/5 days*

### **Itinerary**

Sydney is not to be missed or treated lightly. Settled in the late 18<sup>th</sup> century, home of the Olympics in 2000, Millers Point and The Rocks are part of the earliest European Sydneysiders – convicts, soldiers, whalers and sailors – all lived and walked this route. Millers Point and The Rocks have been overlaid by generations of change, but among the bustling modern city remnants and traces of these early times can be found. Sydney is truly an international beauty who sports numerous famous icons including Sydney Opera House, Sydney Harbour Bridge, Centrepont Tower; historical buildings, chic & modern shopping, restaurants, bars, nightclubs, beaches, the Botanical Gardens right in the heart of the city, National Parks, established and highly rated golf courses and other sporting venues. Something to suit everyone! Sydney is flanked by the stunning Blue Mountains and is nestled around the most beautiful harbour in the world according to many locals and visitors alike.

Enjoy all this whilst travelling in high tech privacy, on board our purpose built luxurious corporate coach aptly named 'Opulence'. Luxuria Destinations is providing you with a 'private jet' style of transport for touring Sydney. 'Golfers' and 'non golfers' will enjoy this superb dip into the heart of Australia, Sydney.
