Brisbane Story Bridge Adventure Climb

The Story Bridge Climb is a soft adventure, 2.5 hour experience at the very top of Brisbane's iconic Story Bridge. The Bridge has been opened to the public for the first time in its 65 year history. This Brisbane tour is one of only 3 such experiences in the world with a journey of almost 1 kilometre up over the bridge's superstructure with a high point almost 80 metres above the Brisbane River.

From the summit of the Story Bridge Adventure Climb, enjoy uninterrupted views of Brisbane city, Glasshouse Mountains to the north, world heritage listed Lamington National Park to the south, west to Mount Cootha and views across Moreton Bay to the east.

At the same time climbers can eyeball the city's tallest buildings. Dawn climbers will capture the beauty of sunrise over the bay, while dusk climbers will see the setting sun reflected in the glass and steel of the city's high-rise apartment and office buildings, and the city lights.

For those with a fear of heights - relax! Every precaution in the safety procedures ensure the experience is a safe one with Story Bridge Adventure Climb, with all climbers attached to a static line.
